

Mission & Vision

Employee Engagement

Cultural Fit Matters

Hiring for Your Unique Culture

Negative employee morale, loss in productivity, poor client relations and reduction in sales are just a few of the many results of a bad hire.

A recent study by CareerBuilder found that 27% of US employers reported that a single bad hire cost more than \$50,000 to their companies

Questions Every CEO Should Ask About their Organization's Culture

Are your employees engaged in company culture?

How vital is your mission & vision in attracting, motivating, & retaining employees?

How often you communicate your company values?

What metrics help you gauge a successful culture?

How do you promote and retain diversity?
